

Management / Key Personnel:

AK Security Services is an experienced and educated patrolling and security service provided. The diversity of AK Security Services is instrumental in being able to consider a wide range of effects to an issue from all personnel vast experiences.

Officers Experience

We hire only former or retired Law Enforcement personnel from Federal, State, County, and local agencies. And we look forward to hiring our veterans who given their service to this great country so that we might remain safe and secure here at home.

Not only in the field of Law Enforcement, but Firefighters, and Emergency Management personnel to better serve you and your needs.

We have a vast variety of experiences to choose from and we use these experiences to better serve you, the client.

Quality Control

Here at AK Security Services, we are constantly evaluating and

Reporting what is going on with you, the client and our own internal paperwork and proper procedures, to ensure all clients and contract needs are met or exceeded.

Our Mission is to provide a safe and secure environment for all of our clients. With experienced and highly qualified security personell, our goal is to maintain a level of peace and to provide a consistent source of quality security services to our clients.
